### **Examiner's Amendment**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Joseph P. Fox on November 26, 2007.

The application has been amended as follows:

In the claim 19, line 1, replace the phrase "disk-shaped recording medium" by --method--

### **Reasons For Allowance**

The following is an examiner's statement of reasons for allowance: Applicants' claimed invention differs from the prior art of the record by specifically reciting that the eccentricity correction data is recorded in a user data recording area in the same way as writing of the user data but at a location away from the user data recording location corresponding to a yaw angle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
